

The health and safety of our constituents, volunteers and staff remain our driver as we address the COVID-19 outbreak and as we continue to pursue our mission, today and in the longer term.

Based on the guidance from local public health agencies, the Wine & Chocolate events in Le Mars and Sioux City originally planned for [Thursday, March 26](#) and [Friday, March 27](#) will be rescheduled. All sponsorships and ticket sales will be honored for the rescheduled dates which are currently TBD. We will update all attendees and sponsors for these events as we get more information and schedule new event dates.

While the Alzheimer's Association staff is working remotely, operations will continue to support our mission. As always, the Alzheimer's Association is available to you [24/7](#) for around-the-clock care and support at [1-800-272-3900](tel:1-800-272-3900). Please check [www.alz.org/iowa](http://www.alz.org/iowa) for details on any other meetings and events.

We ask for our supporter's patience while we travel this unknown path together.

Alzheimer's Disease is relentless, we must continue our mission during this time.
